Presented: February 15, 2011

Parker Hegstrom was one of 22 boys in the State selected for the 2010-2011 Colorado All-State Tennis Team.

Parker is a senior at Grand Junction High School and has participated at the state level tennis tournament all four years of high school. This year, he had an overall record of 21-1 at the number three singles position. He placed first at our own Western Slope Open, was undefeated in dual matches, won the regional tournament and took third place at the state tournament, losing only one match. Parker was the team captain and the only senior on the team. Parker helped lead the young GJHS team to great accomplishments all season long.

Off the court, Parker is equally successful. He is one of the top students at Grand Junction, tied for first in his class with a 4.3 GPA. He is a member of National Honor Society, a student mentor, an Eagle Scout and a jazz band member who has played in a multitude of concerts in the community. He is also working on a fundraising project to raise money to help build wells for the people of Ethiopia called the Walk to Water Campaign.

Parker is a well-rounded young man who will be successful in his future endeavors. He is interested in attending college at Duke, Vanderbilt, Gonzaga or CU. He aspires to major in Engineering and Music. We wish Parker the best of luck and congratulate him on an outstanding tennis career at Grand Junction High School.

Recognition: Fruita 8/9, Finalist for 2011 Sustainability Champion Award

Board of Education Resolution: <u>10/11:</u> 66

Presented: February 15, 2011

The Fruita 8/9 school's Sustainability Initiative Program is a finalist for a Colorado 2011 Sustainability Champion Award. Leading the charge for this effort are staff members Kent Main, Shan Mixon, Julie Blevens, Sean Gregg and Lisa Will.

The Gifted and Talented students at Fruita 8/9 played a major role in getting most of the sustainable activities going. Five years ago, they started the recycling program and now work in conjunction with Lisa Will and LEAG students. Gifted and Talented students coordinated with science and service learning classes to begin composting and re-vegetation efforts of the school's flower beds and bushes. The staff and students at the school also work with Eric Anderson to reduce utility expenses. Part of the community benefit comes when outgoing ninth grade students take what they've learned to high school, but first pass on their efforts to incoming eighth graders.

The Fruita 8/9 school is one of three organizations in the medium level, of 50-500 employees, that will be recognized at the statewide Sustainable Opportunities Summit in April. The Fruita 8/9 program was one of 44 nominations submitted.

Fruita 8/9 was nominated by David Miller, at Alpine Bank. Judging criteria to reach the finalist level included:

- Inclusion of concrete outcomes and metrics
- Extent of sustainability benefits to the community
- Project-based nominations vs. nominations based on the core mission of the organization

The Board of Education would like to congratulate these employees and their students for the hard work they do to make their environment more sustainable and relate efforts to school curriculum. We wish them the best of luck in April!

In June, 2011, Tony will receive special recognition at the Lincoln Financial Group/National Forensic League National Speech and Debate Tournament in Dallas, Texas. The Board of Education would like to congratulate Tony on his accomplishment.
