						➤ Superintendent, Dr. Diana Sirko, read a resolution to recognize the Board of Education as January is School Board Recognition Month. She noted not only was it important to recognize the hard work and high expectations Board members face, but also members receive no pay and at times must endure criticism and public scrutiny. Serving as a Board member is an honorable, selfless act of service and shows true dedication to the students and staff of the District. Dr. Sirko urged all citizens to join her in showing appreciation for the hard work and dedication of the Board members.

- None at this time

G. SUPERINTENDENT REPORT

G-1. Quarterly Business/Investments Financials Report, Mrs. Melanie Trujillo

- Mrs. Trujillo, Chief Financial Officer, reported revenues through the second quarter are on pace, as anticipated, and expenditures are slightly down. She noted expenditures are down because some positions initially budgeted for have remained unfilled.

G-2. Readopted Budget, Mrs. Melanie Trujillo

- Mrs. Trujillo, Chief Financial Officer, reviewed the process for budget adoption, noting Colorado state statute allows districts to re-adopt budgets by January 31 of each fiscal year. Re-adoption of the budget is necessary to shore up figures once student counts are completed in October and actual funding figures are known. Mrs. Trujillo reviewed adjustments to the budget in revenues and expenditures, reporting an increase in the general fund of \$121,604. Mrs. Trujillo displayed data on student enrollment counts over the past several years and explained the option and benefits of using averaging rather than actual student enrollment numbers for state funding. She noted the District will be working with a demographer to project student enrollment for next year and should be receiving information on next year's state funding in May, at the conclusion of the legislative session. Mrs. Trujillo highlighted one budget item, the health fund, and reported the District is currently looking at all avenues and options to be proactive in maintaining current costs.

G-3. Juniper Ridge Presentation

- Mr. Ari Goldberg, Site Leadership Director, Juniper Ridge Charter School (JRCS) Board Chair, Ms. Nicole Miller, Head of School, Ms. Kathleen Mumaw, and Assistant Head of School, Ms. Judy Drake, presented information on the Waldorf curriculum used at the school, which teaches academics infused with art and movement and focuses on the whole child. The school is working to introduce standards at an earlier age to align with state assessments and still maintain the Waldorf concept. Students at JRCS are currently using the same assessments as the District. A brief history of the school was shared noting the school is now located on a twenty-eight acre property, contains one large building and seven modular units and serves grades preschool through eighth grade. The school is currently at 90% capacity with 411 students.

H. AUDIENCE COMMENTS

- Ms. Kristi Mottram, Grand Junction 81506
- Ms. Mottram, a District teacher, requested the Board refrain from making any changes to the COVID protocols until the end of the school year. She reported she has one student, in her classroom, who lost a parent to COVID and two other students who lost family members. She expressed a need for additional supports for students and staff who are experiencing trauma and for the District to put more emphasis on social emotional learning. She reported her third grade students understand and are comfortable with the current protocols.
- Mr. Bruce Lohmiller, Grand Junction 81506
 Mr. Lohmiller reported he is working on several things for the District. He believes Martin Luther King Jr. did not have a dream but rather he had goals because a dream is abstract whereas goals are achievable. Mr. Lohmiller shared there are violence reports about an altercation he did not start but was instructed by the mother to get involved. He reported Mr. Williams will be reviewing those reports. He reported he is working with Senator Scott to align state law with the constitution. He recommended the District review news reports from, Major Garrett and Mr. Dan Rather, regarding comprehensive sex education and shared the President said we are all going to get sick from COVID, but we are not going to die.
- Ms. Anne Hansow, Grand Junction 81505
 Ms. Hansow is the parent of four children, three who are school aged. She reported two of the three are home for ten days due to the mask mandates, as she will not subject her children to wearing masks. She requested Board members review the information in the handout she provided to them. She gave a brief summary of the handout noting the information compares data from three Colorado counties, two with mask mandates and one without and all three counties are showing similar COVID case numbers. She shared information on how masks cause increased disease, higher carbon dioxide levels and infections. She questioned why District 51 students are require to wear a mask when Colorado Mesa University students are not. She feels parents should be the ones deciding if their students need to wear a mask.
- Ms. Tracy Seremak, Grand Junction 81504
 Ms. Seremak, expressed a passion to have teachers voices heard and thanked the Board for giving them an opportunity to speak. She reported on a high school teacher in-service she attended and the positive energy at the in-service. She reported teachers were excited to learn new skills to help assist them in teaching students the skills they need. She gathered information, following the in-service, from teachers across the District on how they are feeling. Racist” which is being read in the DIA eighth class. She shared that being bilingual is not just about being able to read and write another language, but it is also about understanding other cultures. She reported the book was selected by students to be used as a book study resource for discussion and she feels it is age appropriate for middle school students. She reported families were given the option to opt out but only two families requested to take the out option and those two families were invited to come to the school and see how the book was being used, but did not accept the invitation. She believes the comments made by parents at a previous meeting misrepresented what is actually happening. She does not believe parents who have the right to opt their student out of participating should have the right to decide for the other students.

- Ms. Jessica Miley, Grand Junction 81506
 Ms. Miley, a teacher in the District expressed concerns about the teacher shortage and substitute teacher shortage the District is experiencing. She questioned if Board members were aware of the number of teaching jobs that go unfilled every day due to a lack of subs and the impact it is having in the classrooms. She requested the Board focus on the teacher shortage and why educators are leaving the teaching profession. She noted if a teacher needs to take a day off its stressful knowing their colleagues will have to cover for them. She would like to see a plan in place to find and keep the best teachers.
- Mr. Brandon Leuallen, Clifton 81520
 Mr. Leuallen expressed a desire to no longer have to discuss masks, but feels compelled to continue talking about masks as long as mandates are in place. He reported he has spent most of this last year working with people who have had COVID and he requested to serve on the District’s task force but was denied the opportunity. He wants masks to be voluntary and not mandated. He would love to find a way to compromise and work together to find other solutions such as diluting and filtering the air. He is willing to volunteer to help find other solutions.
- Ms. Jan Moorman, Grand Junction 81501
 Ms. Moorman was present to speak on behalf of the Mesa County League of Women Voters. She reported the League has always been non-partisan and does not endorse or oppose political parties or candidates. The League works at the state and federal level with positions to influence laws that help the nation to become a better democracy. The League of Women Voters in Colorado is fully committed in diversity, equity, inclusion in principals and in practice. She reminded the Board of non-discrimination policies needing to be updated to comply with Colorado revised statutes. She highlighted key components of State statue which dictate when teaching history, culture and civil government these subjects must include accurate information on the contributions and persecution of minorities, including but not limited to, American Indians, Latinos, African Americans, Asian Americans, lesbians, gays, bisexual and transgender individuals.
- Ms. Casey Hawley, Grand Junction 81503
 Ms. Hawley, who works at Central High School (CHS) highlighted cool things happing at CHS. She reported last week CHS hit the 2% mark for COVID-19 cases and the CHS community came together and complied with the masking requirement without any issues. She reported there were numerous unfilled

staffing positions last week, but teachers worked to get the positions covered showing how much they care about students. She shared information on a new program being implemented at the school to help with excessive student tardiness which is showing positive results. She reminded everyone of data, from the state, showing District 51 graduation rate went up when the overall graduation rate for the state went down.

- Mr. Tom Sheeran, Grand Junction 81507
Mr. Sheeran thanked Mr. Jones for starting to implement a Dads On Duty Program, which he feels will make a difference. He requested the District update their annual report and score card listed on the District's website, as it is showing data from the 2016-2017 school year. He expressed the importance of using metrics, benchmarks, score cards and standardized testing to gauge how well District students are doing. He reported there is no testing data at the Colorado Department of Education website for 2020 due to COVID-19 and very little data for 2021. He reported the data for 2019 shows the District was only above the state average in 6% of the testing areas, meaning they were below state average in 94% of the testing areas. He emphasized the need for students to complete the standardized testing this year to see how the District compares to the rest of the state.
- Ms. Hannah Holm, Grand Junction 81501
Ms. Holm is a mother of two students who went through Dual Immersion Academy Program and are now thriving at Grand Junction High School. She shared her experience when her family traveled to Spain. He shared this students favorite activity is attending a book club on Wednesday afternoon with her peers in an atmosphere she feels is safe and welcoming at Fruita 8/9 School. The student credited a former social studies teacher, Mr. Stabolepszy, for helping her get involved and out of her shell. Mr. Bonnet spoke about his colleague, Mr. Frank Williams, a math teacher and co-captain for the Fellowship of Christian Athletes, who started a chess club at the school and purchased chess sets with his own money and who joined the seventh grade variety show and performed with his students. Mr. Bonnet shared students describe Mr. Williams as an energetic, kind person who wants to be known for doing little things with great love. Mr. Bonnet reported this last week, Mr. Williams took on double classes, holding classes in the auditorium, when other teachers were out.
- Ms. Carol McDaneld, Grand Junction 81507
Ms. McDaneld has two students at the Dual Immersion Academy and was present to speak supportively for the school. She noted the teachers, at Dual Immersion Academy bring to their students different dialects, viewpoints,

She noted each child is different and not every model works for every student. She expressed how impressed she is with the staff and academic model at the Dual Immersion Academy and how the school focuses on cultural competency, bilingualism and academic achievement and she feels her students are thriving there.
 - Ms. Marie Caris, Fruita 81521

She shared a story about a former student who struggled with anxiety and now plans to move to Florida and study botany when he graduates this year. She shared information on her colleague, Ms. Abby Morgan, who many students admire and who was being honored by the City of Fruita as the Teacher of the Month. She described Ms. Morgan as the teacher who cares about students deeply and is one who knows every student's first and last name by the first day of school. She further described Ms. Morgan as a quiet leader who often does things that have huge impacts but never wants recognition. Ms. Caris is grateful to be able to work with the teachers and students at her building who show kindness to others.
 - Mr. Tom Keenan, Palisade 81526
 - Mr. Keenan gave a brief resume noting he has a master's degree in K-12 education, thirty years' experience in the classroom and forty years in coaching. He has a daughter who teaches special education and eight grandchildren. He believes there is a lack of leadership in the District and administration is unaware of what is happening in the District. He feels Superintendent Sirko was incorrect when she stated Critical Race Theory is not being taught in the District. He believes hiring a Director of Equity along with teaching social emotional learning is proof Critical Race Theory is happening in the District. He shared his belief on how Critical Race Theory came about and how it has changed over the years. He thanked the current Board for their transparency and willingness to listen to the public.
 - Ms. Alanna Spees, Grand Junction 81507

- controversial topics and develop their own thoughts.
- Mr. Donald Hunger, Grand Junction 81504
 Mr. Hunger spoke about comments given from an ears, nose and throat doctor at a previous Board meeting, on the effectiveness of masks. He questioned why people who have been vaccinated and can choose to wear a mask be worried about what he does. He believes wearing a mask and making medical decision should be a choice of the parents. He noted the Dual Immersion School, a school where his student attended, is a good school because it is a choice school where parents are actively involved.
 - Ms. Ana Elliott, Grand Junction 81504
 - Ms. Elliott reported on attending an intensive book review for middle school curriculum on history, geography and economics and a conversation around how the books are chosen. She reported it is a complicated procedure involving, teachers, administrators, public comment, and developing rubrics before a selection can be made. She reported the cost for the books and on-line learning would be approximately \$700 thousand. She questioned spending that amount of money for curriculum, which may only be good for six years, when she has heard others speak about the need for more staff and how staff wages make up the largest portion of the budget. She asked how the controversial book being read by students in the Dual Immersion Program was allowed into the classroom, as she feels it would have never been accepted had it gone through a curriculum review. She would like the public to be able to review all curriculum before it's given to students.
 - Ms. Wendi Wood, Fruita 81521
 Ms. Wood reported she is a licensed teacher who has submitted her application to the District to be able to substitute in the classroom and has not been called upon to do so. She spoke on freedoms, and the freedom of choice being taken away when implementing mask mandates. She described an incident with her thirteen year old niece who attends an alternative program and was able to attend a class without a mask, during a mask mandate period, as long as she sat in the back of the room, but not being allowed to attend another class without a mask. She noted many students in her niece's classes were absent because they did not wish to wear a mask. She applauded her niece for standing up for freedom of choice and attempting to attend classes. She believes students and parents should be making the decision in wearing a mask. She stated mask mandates are immoral and take away ones individual rights.
 - Ms. Perrie Talley, Fruita 81521
 Ms. Talley requested to be able to ask questions. She asked if there was a District wide mask mandate and Superintendent Sirko answered that there is not a district wide mandate and explained the 2% threshold. Ms. Talley then shared her thoughts that mandates were in place to appease a few teachers and questioned what would happen if students showed up not wearing a mask. Superintendent Sirko attempted to respond, but Ms. Talley interrupted her to state she believes the District is not being responsive to the students' needs, masks have nothing to do with safety and do not stop the spread of COVID. Ms. Talley asked if the District would call the police if students were

Each January, the Mesa County Valley School District 51 administration, staff, parents, and students recognize our school board members during **School Board Recognition Month**. Serving on the Board of Education is an honorable, selfless act of service that involves dedicating several hours each month to participating in meetings, communicating with constituents, reviewing proposals, researching reports, and making tough decisions. Especially in today's climate, electing to serve on a school board takes courage, a thick skin, and an innate belief that making a difference in the lives of children is worth the criticism, long hours, and public scrutiny that comes with being a board member. Board members receive absolutely no pay for their service – it is a true labor of love.

Board members are entrusted with some of the most important work in local government, including adopting a balanced budget for the largest employer in the county, hiring a superintendent to lead the district, and meeting the community's expectations and aspirations for the public education of their children. These are challenging times for public education for several reasons, and board members are some of the most recognizable people in the district. Choosing to serve in these unique times means committing to represent the district in good times and bad and remain steadfastly reliable, responsible members of the community.

We are proud of the work our school board does and the role our school board members play in creating a quality public education system that is fundamental to a strong democratic society. The elected school board members deserve recognition and thanks for their countless hours of volunteer service to public education and the children of Mesa County.

I urge all citizens to join me in recognizing the dedication and hard work of our local school board members and in working with them to mold an education system that meets the needs of both today's and tomorrow's children. On behalf of our staff, students, and parents, I hereby declare our appreciation to the members of the Mesa County Valley School District 51 School Board and proclaim the month of January 2022 to be **School Board Recognition Month**.

Would the Central High School Co-Ed Cheer Team please join me at the front?

The Board of Education and Superintendent Sirko would like to recognize the Central High School Co-Ed Cheer Team for placing second in the Class 4A Co-Ed Cheer competition at the 2021-22 State Spirit Championships last month in Colorado Springs. This is the highest finish ever for Central in the State Spirit Championships. It also marks twice in one calendar year that the team has finished in the top three at state – they placed third in the 2020-21 state championships, which took place in March 2021 due to COVID-19.

This has been quite a season for the team. Leading up to the 2021-22 state competition, they placed first at the America's Cheerleading Cup regional competition in Erie, besting two-time state champions Thompson Valley.

The Board of Education and Superintendent Sirko congratulate all 27 students on the cheer team and their coaches, Tracy Arledge, Emily Pittsenbarger, and Nicki Schwulst, on a successful season!

Mesa County Valley School District 51 Strategic Plan

VISION

Engage, Equip, and Empower Our Learning Community Today for a Limitless Tomorrow

MISSION STATEMENT

To lead all students to reach their individual potential by rigorously pursuing and evaluating achievement of high academic and ethical standards in a disciplined, nurturing environment.

STRATEGIC PLAN PROCESS

In the fall 2010, the Mesa County Valley School District commissioned a Comprehensive Assessment for District Improvement (CADI) review to be completed. The results of the review along with recent assessment data and the need to focus on raising student achievement resulted in the District adopting a new strategic planning process. The first step of this process was to have the executive cabinet complete a short-term plan with a long-term outlook. This short-term plan guided improvement efforts and provided focus for the organization until the long-term plan was completed.

A Long-Term Planning Committee was organized in December, 2011. This committee which was comprised of parents, staff members, community members and leaders, and business leaders conducted numerous focus groups and drafted long-term goals for the District. Subsequently, these goals were modified slightly by the Board of Education and adopted. Executive Cabinet was responsible for developing objectives, strategies and action plans for achieving these goals.

The following questions are addressed during the process:

1. Where are we now?
 - Review available data including assessment growth results and trends, Organizational Health, and the CADI review results
2. Where do we want to be?
 - Review and update the District's mission and vision
 - Identify the gaps that need to be addressed between where we are now and where we want to be
3. How will we close the gaps/how will we get there?
 - Defined long-term goals
 - Defined measurable objectives to meet those goals
 - Documented strategies to achieve objectives
 - Completed action plans to implement strategies
 - Assigned personnel to be responsible and accountable for completing the action plans
4. How do we measure and monitor our progress?
 - Established process for monitoring progress including specific deadlines
 - Identified key performance indicators to assess impact of efforts

The five long-term goals adopted by the Board of Education are:

1. Increase student growth and achievement in Literacy, Math, Science and Social Studies by focusing on curriculum, instruction and assessment.
2. Promote shared responsibility for student learning through students, schools, families, and community members working together.
3. Ensure effective educators and high quality leaders throughout the District.
4. Improve organizational efficiency and effectiveness through increased accountability and communication
5. Promote public awareness and community support for public education.

Measurable objectives and strategies targeted for achieving these goals by 2017 have been developed. Action plans including tasks and timelines are in place and will be used to direct work and spending decisions over the next 5 years. The progress on action plans will be monitored by the Executive Team and reported to the Board of Education on a regular basis.

This is now being deployed throughout the District. It is critical for all employees to be aware of and understand the strategic priorities of the District. The interim plan will be used to guide decision making in the District including where funds will be spent and where people will place their efforts. The following page shows the 2013-2014 goals and objectives, which are ongoing.

COMMITTEES

Colorado Revised Statutes, C.R.S. 22-7-102 to 22-7-104, require “an accountability and parental and community involvement program to define and measure academic and safety quality in education.” The District Accountability Committee (DAC) fulfills that requirement. DAC serves as the primary community advisory for strategic plan implementation, progress monitoring, and reporting.

DAC assists each school with a review of their Individual School Improvement Plan (ISIP) annually. They gather input from school advisory committees on prioritization of expenditures and make recommendations to the Board of Education. DAC also reviews charter school applications.

2021-2022 General Fund Expenditure Summary

PERA On-Behalf Fund

The State of Colorado will provide a direct payment to Colorado PERA (Public Employees' Retirement Association) in the amount of \$225 million on July 1, 2021; renewing their commitment to the long-term viability of PERA.

The payment, made on-behalf of PERA covered employers, is allocated based on the proportionate amount of annual payroll to the School Division Trust Fund, State Division Trust Fund, Judicial Division Trust Fund, and Denver Public Schools Division Trust Fund. GAAP (Generally Accepted Accounting Principles) require each entity to report its proportionate share of the on-behalf payments as both a revenue and expenditure. Because these offsetting entries have no financial impact on district operations, we have chosen to record them in a new stand-alone sub fund to the General Fund.

Colorado PERA does not provide the calculations of each district's proportionate share of on-behalf payments until after year-end. As such, budgeted amounts represent a conservative estimate based on prior years' data.

2021-2022 Mill Levy Override (2017) Expenditure Summary

Colorado Preschool Program

Colorado preschool programs were established in January 1989, according to C.R.S. 22-28-104. "The purposes of the program are:

- To serve four-year- and five-year-old children who lack overall learning readiness due to significant family risk factors, who are in need of language development, or who are receiving services from the state department of human services pursuant to article 5 of title 26, C.R.S., as neglected or dependent children and who would benefit from participation in the state preschool program;
- To determine the school districts in which participation in the state preschool program would be beneficial;
- To establish criteria to be followed by school districts in establishing district preschool programs; and
- To encourage parents to participate with their children in district preschool programs." (C.R.S. 22-28-104 [1])

The 2001 legislature established SB 01-123 concerning the required expenditure for the school district's preschool and full day kindergarten programs. Guidelines for establishing this fund include:

- For fiscal year 2001-2002 and every year thereafter.
- The district shall budget an amount equal to the district's PPOR (per pupil operating revenue) multiplied by the district's preschool FTE (October count).
- Such budgeted amount shall be allocated to the "Preschool and Kindergarten Program Fund." (SB 01-123)

Beginning in 2014-15, the Colorado Preschool Program was approved for expansion by the Colorado General Assembly. Additional slots for ECARE (Early Childhood At-Risk Enhancement) became available to allow the existing program to serve a greater number of CPP eligible preschool and kindergarten children. As a result of this legislation, District 51 applied for and received additional slots through ECARE.

In 2019, House Bill 19-1262 was passed providing funding for full-day kindergarten beginning in the 2019-20 school year. As a result, all current ECARE slots were converted to slots for preschool programs.

Fiscal year 2021-22 budget is based on 282 FTE.

Independence Academy Charter School

By Resolution adopted October 21, 2003, Mesa County Valley School District 51 Board of Education approved an application by Deep River Charter School to begin operations not later than the 2004-05 school year for a term of 3 years. Deep River changed its name to Independence Academy beginning with the 2006-07 school year.

Independence Academy Charter School is organized and maintained as a separate legal entity from the district, constituting a public school in the state of Colorado. It is the desire of both the district and the charter school that the charter school be accountable to the Board and subject to the ultimate authority of the Board, but that the Board grant the charter school flexibility to achieve successful educational results in new and innovative ways. The charter school is designed to increase the educational opportunities of at-risk pupils within the meaning of sections 22-30.5-103 and 109(2), C.R.S.

The revenue for the 2021-22 school year is based on 455 FTE.

Per Pupil Revenue \$8,501.28 X 455 FTE = \$3,868,082

Total General Fund Expenditure = \$5,785,919
Per Pupil Expenditure = \$278.91

Juniper Ridge Community School

Juniper Ridge Community School is a multi-cultural K-8 charter school using an arts and nature-based curriculum rooted in the Waldorf tradition.

A great body of research suggests the Waldorf approach of using art, nature, and a unique understanding of child development helps all children—regardless of aptitude or socio-economic status--reach remarkable academic and personal success. Waldorf-inspired graduates love to learn and continue to seek knowledge far beyond the last day of school, becoming highly valuable employees and community members.

Traditional Waldorf schools are tuition-based and often inaccessible to all but a small tier of students. JRCS believes this outstanding educational model should be available to all children, regardless of finances, which is at the heart of the creation of this outstanding school.

The revenue for the 2021-22 school year is based on 414 FTE.

Per pupil revenue $\$8,501.28 \times 414 \text{ FTE} = \$3,519,530$

Total General Fund Expenditure = \$4,072,958
Per Pupil Expenditure = \$196.34

Mesa Valley Community School

In 2007, a group of families and community members in the Grand Valley began exploring the idea of blending homeschooling with public schooling, keeping the best of each and making a hybrid more robust than either alone.

After negotiating a contract with School District #51, Mesa Valley Vision—Home and Community Program opened its doors for the first time. The 2008-09 school year was the first of six great years of operation for MVV. Families liked the opportunities MVV provided, and the school did very well, getting excellent performance ratings.

In 2013, it became clear that the structure of MVV as a contract school would be impossible to maintain and the difficult decision was made to close the doors of MVV at the end of the 2013-14 school year.

However, many people were not willing to let this great idea die. Too many students had benefited from being able to pursue a personalized learning plan supported by District and private resources. A group of people worked hard to create a new school which would fill the gap that MVV was leaving behind. This school would also be built on the solid principles of personalized education in a variety of environments.

In early 2014, an application for Mesa Valley Community School to become a District #51 charter school was submitted for approval and the new school opened its doors for the 2014-15 school year.

The revenue for the 2021-22 school year is based on 386.4 FTE.

Per pupil revenue $\$8,501.28 \times 386.4 \text{ FTE} = \$3,284,895$

Total General Fund Expenditure = \$4,761,315
Per Pupil Expenditure = \$229.52

2021-2022 Nutrition Services Revenue Summary

2021-2022 Nutrition Services Expenditure Summary

Physical Activities

This fund accounts for most of the revenue and expenditures associated with athletic programs in the four high schools. Actual costs for student athletics and activities are split between two different funds. The General Fund covers salaries and benefits for coaches, activity sponsors, and athletic directors, as well as such indirect costs as maintaining athletic fields, utilities for athletic facilities, and supplies. Revenue from gate receipts and student participation fees are reported in the Physical Activities Fund. District 51 believes that student participation in athletic and activity programs is essential for a well-rounded education. In order to allow as many students as possible to participate, fees need to be kept within reasonable limits. Therefore, District 51 chooses to fund a part of the costs associated with these activities.

Total Expenditure = \$786,000
Per Pupil Expenditure = \$37.89

Beverage

The Beverage Fund is a Special Revenue Fund for District 51 that is set up to administer the “Sponsorship Agreement” to be an official sponsor of the District and exclusive supplier of certain types of beverage products sold, dispensed or otherwise made available at District facilities.

An agreement with Coke (Swire Pacific Holding Inc., a Delaware Corporation, Swire Coca-Cola, USA) was awarded December 2008.

This agreement allows the District and Swire to comply with section 22-32-134.5 CRS, requiring healthy beverage policies in Colorado schools by June 1, 2009.

Funds received from Coca-Cola will be distributed to the school’s SBA funds as per contract, and the remainder to be spent as per directives.

Governmental Designated Purpose Grants

The Governmental Designated Purpose Grants Fund accounts for revenues from federal, state, and local grants where expenditures are restricted to the specified purpose in the grant agreement. The district limited the number of state grants it accepted prior to 1999 because of limitations in revenue growth proscribed in an amendment to the state constitution. Voters approved the revenue limitations be lifted in a November 1999 election.

Bond Redemption

The Bond Redemption Fund is required by state law to provide revenue for repayment of bonded indebtedness which has been approved by the voters. Property taxes are levied each year in an amount sufficient to cover only the required principal and interest payments. These are long term obligations of the school district and by law, monies in this fund cannot be used for any purpose other than to retire voter approved debt.

Colorado Revised Statutes, Section 22-42-104, provides a maximum bonded indebtedness of "twenty percent of the latest valuation for assessment of the taxable property in such district, as certified by the assessor to the board of county commissioners."

This Bond Redemption Fund Budget Summary accounts for the property taxes received and the payment of principal and interest on the district's 1996 General Obligation Bonds, 2004 General Obligation Bonds, and 2018 General Obligation Bonds.

Approved by the voters in November 1996, the 1996 General Obligation Bonds were approved to build two new elementary schools and one middle school, as well as to extend current building capacities.

The 2004 General Obligation Bonds were approved by the voters in November 2004. These bonds were approved to build two elementary schools and an 8/9 school, replace a middle school and an alternative school, and provide maintenance and upgrades to existing sites.

Approved by the voters in November 2017, the 2018 General Obligation Bonds were passed for priority 1 maintenance projects, the replacement of Orchard Mesa Middle School, technology upgrades, a gym at Dual Immersion Academy, an auxiliary gym at Palisade High School, and security features at schools across the district.

November 2021 voters approved the 2022 General Obligation Bonds for a new Grand Junction High School and the remodel of some existing buildings on the site. At the time of budget re-adoption, these new bonds have not yet been finalized, therefore, 2021-22 payments are estimated for the 2022 Series and a debt schedule is not yet available.

Capital Projects

Capital Projects Fund is funded by monies allocated pursuant to the provisions of section 22-54-105(2) CRS transferred from the General Fund. Such revenues may be supplemented by gifts, grants and donations. Per student amount to be transferred is determined each fiscal year. The amount is dependent upon state funding received by the state. Funding is then distributed to the general fund, capital projects and insurance funds.

According to CRS 22-45-103 (1)(c), expenditures from the fund shall be limited to long range capital outlay expenditures and shall be made only for the following purposes:

- Any acquisition of land, improvements, construction of structures or additions to existing structures, and acquisition of equipment and furnishings;
- Alterations and improvements to existing structures;
- Acquisition of a school vehicle, or other equipment;
- Any installment purchase agreements or lease agreements with an option to purchase for a period not to exceed twenty years and any lease agreement without the option to purchase;
 - Any software licensing agreement;
 - Acquisition of computer equipment.

Expenditures from the fund shall be authorized by a resolution adopted by the Board of Education at any regular or special meeting of the Board. The resolution shall specifically set forth the purpose of the expenditure; the estimated total cost of the project; the location of the structure to be constructed, added to, altered, or repaired; a description of any school buses or equipment to be purchased and where such equipment will be installed.

The budget is structured to provide authorization for expenditure of all possible funds which may be available. This includes possible balances that remain from previous projects, estimated carryover funds from the preceding year, and new revenue for the budget year. Any balance remaining upon completion of any authorized project may be encumbered for future projects which are authorized as provided in C.R.S., Section 22-45-103(c).

Total Expenditure = \$5,754,456

Per Pupil Expenditure = \$277.40

Medical Insurance

On November 11, 2003, the Board of Education approved the option to move to self-funding for employees' medical coverage. This health benefit plan for employees became effective January 1, 2004.

Self-funded plans are health plans developed and managed by the school district. The district uses a third-party administrator to support the plan. Under the self-insured arrangement, the district chooses to retain the risk rather than pass it on to an insurance company or Health Management Organization (HMO). Both the employee and employer may make monetary contributions to fund the plan, as with a traditional health insurance program.

In order to insure against catastrophic losses, the district purchases "stop loss" insurance.

2021-2022 Dental Insurance Expenditure Summary

Insurance

Colorado Revised Statutes, Section 22-45-103, allows school districts to maintain a fund created solely for the management of risk related activities. The Insurance Fund is funded by a transfer from the General Fund. Activities for this fund include:

- Pure self-insurance needs for property, liability, and workers compensation
- Aggregate contributions for organized and licensed pool participation
- Accumulation of funds to meet future self-insurance needs
- Insurance premiums paid to commercial insurance firms
- Staff wellness programs
- School safety and security

Coverage for property and liability is through membership in the Colorado School Districts Self Insurance Pool. Participation in pools and associations help keep costs to the district as low as possible.

Total Expenditure = \$3,448,509
Per Pupil Expenditure = \$166.24

SCHOOL OF CHOICE

APPLICATION PROCESS

Jan. 24 - Feb. 4

WHAT IS SCHOOL OF CHOICE?

School of Choice is an option for families who wish to send their children to a school that is outside their home's school attendance boundaries. School of Choice does NOT apply to the alternative options, special programs, charter schools, and schools with lottery systems.

HOW DO I APPLY?

When the School of Choice window opens, parents will use their ParentVue account to complete the application. Parents may also use the d51schools.org site and submit their applications electronically through the the School of Choice button on the front page.

School of Choice applications are time-stamped and approved on a first-come, first-served basis. Each school offers spots based on projected enrollment and capacity. Some schools are not able to offer any spots in certain grades or in the entire school if they are at or over capacity.

Applications must be filled out online using ParentVUE. If you do not have a ParentVUE account, create one by Jan. 24 (please contact your child's current school if you have questions). If you do not have access to internet service, you can visit the second floor of the Emerson Building at 930 Ute Ave. between 7:30 a.m. and 4:00 p.m. on weekdays or your child's school office to use their internet.

KINDERGARTEN LOTTERY

Two D51 schools - Dual Immersion Academy and New Emerson STEAM School - use a lottery system to admit kindergarten students. After the drawings, letters will be mailed to the homes of applicants telling them whether their child has been chosen to register at the school or informing them of their position on the waitlist.

Dual Immersion

Bilingual program featuring instruction in both English and Spanish.

- Pick up and drop off applications Jan. 5-12 at 552A W. Main St.

All District employees who receive a report or have knowledge of unlawful discrimination or harassment involving a student, staff member or member of the public involved with a school shall immediately communicate the substance of the report or knowledge to the compliance officer.
