PUBLIC PARTICIPATION AT BOARD MEETINGS

Adopted: October 10, 1972

Policy Manual Review: September 3, 2002

Revision First Reading: August 17, 2021

All regular and special meetings of the Board shall be open to the public. Because the Board desires to hear the views of citizens throughout the District and also needs to conduct its business in an orderly and efficient manner, the Board shall schedule time during some Board meetings for comments from the public. The Board will set a time limit on the length of the public participation and a time limit for each individual speaker. The public is invited to attend Board meetings and shall be given limited time to voice opinions or problems. During times of general public comment at regular business meetings, comments may deal with any topic related to the conduct of schools. Comments at special meetings, if any, must be related to the topics of the special meeting.

The Board recognizes its responsibility to conduct the business of the district in an orderly and efficient manner and will, therefore, require reasonable controls to regulate public presentations to the Board. A person wishing to be heard by the Board shall first be recognized by the president. The person He shall then identify himself/herself and proceed with his/her comments as briefly as the subject permits, but within the time limits established by the Board.

The president is responsible for the orderly conduct of the meeting and shall rule on such matters as the time to be allowed for public discussion, the appropriateness of the subject being presented and the suitability of the time for such presentation. The Board as a whole shall have the final decision in determining the appropriateness of all such rulings.

Members of the public wishing to make formal presentations before the Board should make arrangements in advance with the superintendent so that such presentation, if appropriate, may be scheduled on the agenda. The decision to schedule a presentation is within the sound discretion of the superintendent.
