

The Board would like to invite Addison Cain and Kai Symons to the front.

The Board of Education and Assistant Superintendent Hill would like to congratulate Addison and Kai, who each earned Bobby G awards in May for their amazing performances in high school productions during the 2021-22 school year. The Bobby G awards are essentially the Tony awards for high school theater in Colorado; student productions from across the state are evaluated by industry professionals, who rate and select nominees for acting, design, choreography, direction, technical production, and more. Winners represent the best of the best in the state.

Kai graduated from Palisade High School in May and portrayed Charlie Davenport in Palisade's production of "Annie Get Your Gun." His performance earned him the Bobby G Award for Outstanding Performance by an Actor in a Supporting Role. Addison earned the Rising Star Award for her portrayal of Alice Beineke in Central's production of "The Addams Family." She will be a sophomore this fall at Central High School.

The Board and Assistant Superintendent Hill would like to congratulate Kai and Addison for their achievements in acting and wish them well in their acting pursuits!

MAY 2022

A MESSAGE FROM SUPERINTENDENT SIRKO >

Congratulations on another excellent year of in-person learning in School District 51! This has been a year of great celebrations, with a record number of Superintendent Scholars, many playoff journeys, and state championships for our talented students.

I want to thank each and every one of you for making my 47th and final year in education a memorable one! I have so enjoyed my time as superintendent and getting to watch our students and staff grow, learn, and persevere.

I am positive you will all welcome our new superintendent, Dr. Brian Hill, with open arms when he starts in his new role this summer. I have thoroughly enjoyed working with Dr. Hill for the last three years, and I know you will be impressed with his vision for the future of D51.

I hope you like this State of our Schools report!

Diana

A MESSAGE FROM INCOMING SUPERINTENDENT HILL >

I am excited and honored to be your superintendent starting July 1.

When my family and I moved here three years ago from Texas, the landscape of PreK-12 education looked very different than it does now. Thanks to the hard work and support of our students, staff, and families, we were the largest Colorado school district to remain open last year. That has made a difference in

our academic achievement and mental health support and helped fuel the economic growth of our community.

In the years to come, the Board of Education and I plan to support the implementation of our new D51 Strategic Plan in order to have prepared and supported students and staff and engaged and supportive community partners. I look forward to all that we will accomplish together for our D51 students, staff, and community.

Brian Hill

Congratulations to the Class of 2022!

Congratulations to all of our new District 51 graduates! Click on the images above and below from the graduation ceremonies that have taken place so far to read the names of graduates from each school. Mesa Valley Community School's graduation ceremony will take place Friday, May 20, at 11 a.m. in the CMU Ballroom. You can find their list of graduates [here](#).

State of our Schools report
The Spring 2022 State of our Schools report is ready! View the full report [here](#) and find both English and Spanish versions on our website, d51schools.org.

#WeAreD51 Video Series: International Baccalaureate
The International Baccalaureate Diploma Programme is a globally recognized high school program that gives hardworking students a chance to earn numerous college credits and get into top universities. Learn more in the video above.

The Lunch Lizard is back June 6
The Lunch Lizard summer mobile food service program for all kids, 18 and younger will run Monday through Thursday June 6 through July 28. Visit bit.ly/lunchlizard for route schedules and maps.

The Western Colorado Community Foundation is also fundraising for a new Lunch Lizard truck - learn more [here](#).

Seal of Biliteracy
Congratulations to our 2022 Seal of Biliteracy students! Students can earn a Seal of Biliteracy in 9th, 8th, or 12th-grade by demonstrating proficiency in English and at least one other language. See this year's honorees [here](#).

Pomona Garden Project
Pomona 2nd-graders have been working with the city of Grand Junction to design the school's first pollinator garden. Last week, classes got to plant their garden outside the office at the school.

GHHS news staff win awards
Congratulations to the staff of the Grand Junction High School Orange & Black for winning 14 Colorado Student Media Association awards! A list of winners will be posted [here](#).

Robotics fun at Thunder Mt.
Mr. Coffin's class at Thunder Mt. Elementary won a Bee Bot Class Bundle donated by the D51 Foundation in the D51 Robotics Week drawing. The Bee Bot Class Bundle includes six robots that look like bumblebees designed to help students engage in coding.

Senior Walks

Several graduating seniors have returned to their elementary schools this month for Senior Walks. Learn more [here](#).

Preschool Building Move
The D51 Early Childhood Education Department has moved from the Hawthorne Building to the Basil T. Knight Center at 596 N. Westgate Dr. Preschool applications for 2022-23 can be picked up and dropped off at the new location.

Loma students cut the ribbon on new Highline playground
Loma Elementary students got a special treat on their second-to-last day of school, participating in a ribbon-cutting for the new playground at Highline Lake!

Rotarians donate books
The Rotary Clubs of the Grand Valley are distributing more than 5,000 books to D51 first-graders this week. A huge thank you to the Fruita, Grand Junction Horizon Sunrise, Grand Junction, Palisade, and Redlands Rotary Clubs!

Palisade Fish Hatchery releases second school of fish into river
A fish hatchery isn't something you find at most non-coastal high schools, but you will find one at Palisade High! The school released its second-ever school of fish earlier this month. Learn more [here](#).

During Teacher Appreciation Week, local municipalities celebrated our D51 Teachers with Official Proclamations in appreciation for the positive impact teachers make throughout our community. Thank you, teachers!

Superintendent's Scholars
A record number of graduating District 51 students - 184 - earned the title of Superintendent's Scholars this year! Scholars earn a grade point average of at least 4.0 throughout high school. Find the names and group photos of this year's honorees [here](#).

Das Ries opens bike park
The area behind Das Ries Elementary School is now the Wolfpack Bike Park! A grant from the Colorado Health Foundation funded ramps, berms, jumps and bridges for cycling fun.

FBLA students qualify for Nationals at state conference
Several D51 Future Business Leaders of America students are headed to the National FBLA Conference June 29-July 2 in Chicago. Click [here](#) to learn more.

Smushkov Teacher of the Year
Dual Immersion Academy teacher Katharine Smushkov has been named the Air and Space Forces Association Teacher of the Year. This award recognizes outstanding teachers who prepare students for a future in STEM and aerospace.

Gators celebrate Ute heritage
The Ute Heritage Festival took place May 11 at Mount Garfield Middle School. Students learned how to do Ute beading, create petroglyph art, throw atlatl and spears, watch flint knapping, learn Ute History, and more!

Tope opens time capsule
Tope students opened a 20-year-old time capsule last week. Inside, they found lots of fun items from the turn of the millennium.

Helicopter lands at schools
The Colorado National Guard, in support of the DEA and Red Ribbon Week, visited several D51 elementary schools in April via helicopter. Each fly-in included a presentation about saying no to drugs and a closer look at the helicopter.

Important Dates
June 7 - School Board Work Session, 6 p.m., Harry Butler Board Room.
June 21 - School Board Business Meeting, 6 p.m., Harry Butler Board Room.

D51 Foundation Update
The D51 Foundation's 10th Annual White Tent Celebration under the Big Tent was a hit! Thank you to everyone who joined us to celebrate [White Tent Award Recipients and Outstanding Academic Growth Schools](#). We also want to send a huge thank you to all our [sponsors](#) who helped make our event so successful.

Das Ries opens bike park
The area behind Das Ries Elementary School is now the Wolfpack Bike Park! A grant from the Colorado Health Foundation funded ramps, berms, jumps and bridges for cycling fun.

Fruita FFA honors
Congrats to Fruita FFA for earning golds in floriculture and milk quality and a bronze in vet science at the state Career Development Event earlier this month! FFA and R-5 each hosted [plant and flower sales](#) on May 7 as well.

Salute to Staff
D51 honored hundreds of its employees for hitting years of service milestones at the annual Salute to Staff event on April 25. Retirees were also honored for their service. Learn more [here](#).

Tope opens time capsule
Tope students opened a 20-year-old time capsule last week. Inside, they found lots of fun items from the turn of the millennium.

Rocky Mt. Elementary Art Show
Long-time Art Heritage volunteer Cheri Bahkic brought art from her own collection to share with fifth-grade students at Rocky Mt.

Board Meeting Livestreams

Want to watch the board meetings live? Board business meetings and work sessions are available on Facebook and you do not need an account to watch: just [click here](#).

Want more D51 news?

[Click here to sign up](#) for the monthly Community Newsletter to hear about MORE great things happening in District 51.

D51 Staff Concern Line

D51 employees can report concerns anonymously through the new D51 Staff Concern Line. Report concerns about things like workplace conditions, inequitable treatment, board policy violation, etc.

[Click here for more information.](#)

Behavioral Health Services available to staff

D51 staff on the CHP plan can access therapists through Community Hospital's Behavioral Health office, with appointments available Monday-Friday. [Click here for more information.](#)

Salute to Staff THANK YOU!

A HUGE thank you to the staff that jumped on board and were part of the team to put together our Salute to Staff this year: Melodee Bergin, April Hart, Connie Carlson, Pam Smetak, Cheryl Watters, Shelley Schaller and Liz Bouman! You were rock stars in getting it all together and creating a fun and memorable first time back! We are looking forward to next years Salute to Staff!

Special Olympics Colorado

Our 2022 State Summer Games are back in full swing this year! Special Olympics Colorado is seeking volunteers to provide support for over 1,000+ athletes planning to travel to Grand Junction to compete. The event starts on Friday, June 17th and runs through Sunday, June 19th. We are still in need of volunteers for various roles including support services, soccer, swimming, and track and field. Below is a link to our volunteer registration page and additional event day details:

2022 Summer State Games presented by Spectrum: <https://www.classy.org/event/2022-state-summer-games-presented-by-spectrum-volunteer-registration/e398215>

Please note: Registration is required for this event.

If you have any questions or know of someone else who you would like to join in on the fun, please feel free to reach out at any time! We thank you for your continued support of Special Olympics CO!

Smushkov Teacher of the Year

Dual Immersion Academy teacher Katharine Smushkov has been named the Air and Space Forces Association Teacher of the Year! This award recognizes outstanding teachers who prepare students for a future in STEM (Science, Technology, Engineering, Math), and integrate aerospace lessons into their instruction.

D51F D51 Foundation Update

The D51 Foundation's 10th Annual White Iced Celebration under the Big Tent was a hit! Thank you to everyone who joined us to celebrate White Iced Award Recipients and Outstanding Academic Growth Schools. We also want to send a huge thank you to all our sponsors who helped make our event so successful. www.d51foundation.org

During Teacher Appreciation Week, local municipalities celebrated our D51 Teachers with Official Proclamations in appreciation for the positive impact teachers make throughout our community. Thank you, teachers!

Wellness Summer Education Series

Use of Beginning Fund Balance

Board of Education Resolution 21/22: 111

Presented: June 21, 2022

WHEREAS, Senate Bill 03-149 created a new subsection in C.R.S. 22-44-105 1B (1.5) (a) that states:

"A budget adopted pursuant to this article shall not provide for expenditures, interfund transfers, or reserves, in excess of available revenues and beginning fund balances. If the budget includes the use of a beginning fund balance, the school district board of education shall adopt a resolution specifically authorizing the use of a portion of the beginning fund balance in the school district's budget. The resolution, at a minimum shall specify the amount of the beginning fund balance to be spent under the school district budget, state the purpose for which the expenditure is needed, and state the school district's plan to ensure that the use of the beginning fund balance will not lead to an ongoing deficit." and

WHEREAS, the Board of Education has set June 21, 2022, as the date of adoption for the 2022-2023 budgets for Mesa County Valley School District 51; and

WHEREAS, the Board may re-adopt the budgets at any regular or special meeting on or before, January 31, 2023;

NOW THEREFORE, BE IT RESOLVED, that the Board of Education of Mesa County Valley School District 51 does hereby approve the usage of the beginning fund balances as specified in the plan below for the fiscal year beginning July 1, 2022, and ending on June 30, 2023.

FUND	AMOUNT OF BEGINNING FUND BALANCE TO BE SPENT	PURPOSE FOR EXPENDITURE	PLAN
Colorado Preschool Program	\$173,211	Additional instructional programs, Loss of Ecare funding	Monitor and make adjustments
Nutrition Services	\$617,673	Additional labor and food costs/Reduction of federal funding	Monitor and make adjustments
Beverage	\$28,000	Additional programs	Monitor and make adjustments
Building	\$48,654,968	Completion of GJHS project	Utilization of bond proceeds
Capital Projects	\$1,499,079	Completion of projects/Leases	Monitor and make adjustments
Insurance	\$748,734	Security and claim costs	Monitor and make adjustments

I hereby certify that the information contained in the above resolution is accurate and was adopted by the Mesa County Valley School District 51 Board of Education on June 21, 2022.

Borrow Unencumbered Money from Other District Funds

Board of Education Resolution 21/22: 112

Presented: June 21, 2022

WHEREAS, C.R.S.22-44-113 authorizes the borrowing of unencumbered monies from any one fund, except the Bond Redemption Fund; and

WHEREAS, in order to meet ongoing obligations of an current fund it may be necessary to borrow up to \$10,000,000, and

WHEREAS, estimated unencumbered monies not to exceed \$10,000,000 may exist in any of the district funds, except the Bond Redemption Fund, during FY 2022-23

NOW THEREFORE, BE IT RESOLVED, that the Board authorizes the borrowing of up to \$10,000,000 from unencumbered monies from any district fund except Bond Redemption Fund, for the benefit of any other fund effective July 1, 2022, such monies to be repaid to said funds not later than June 30, 2023.

I hereby certify that the information contained in the above resolution is accurate and was adopted by the Mesa County Valley School District 51 Board of Education on June 21, 2022.

**Approval to Move Forward With
Reapportionment of Director Districts**

Board of Education Resolution 21/22: 109

Presented: June 21, 2022

WHEREAS, Colorado state statute C.R.S. 22-31-110 requires school districts having a director district plan of representation to review and if necessary revise the director district boundaries every four years so that each district contains substantially the same number of persons; and

WHEREAS, Mesa County Valley School District 51 last reviewed the director district boundaries in 2018; and

WHEREAS, the District's demographer, Mr. Shannon Bingham of Western Demographics, shared information to the Board of Education at the April 5 Board Work Session regarding the process for reapportioning director districts; and

WHEREAS, Mr. Bingham reviewed the director district boundary populations and found changes to the boundaries were necessary; and

WHEREAS, Mr. Bingham has submitted to the District suggested director district boundary changes, hereto attached as Exhibit A; now

NOW THEREFORE, BE IT RESOLVED, the Board of Education wishes to adopt and approve the suggested changes made by Mr. Bingham to bring the director district boundaries in compliance with the law; and

BE IT FURTHER RESOLVED that the Mesa County Valley School District 51 Board of Education hereby authorizes Mr. Shannon Bingham to proceed with making the necessary arrangements, including, but not limited to working with Mesa County mapping department, to make the director district boundary changes per Exhibit A.

I certify that the information contained herein is accurate and was adopted by the Mesa County Valley School District 51 Board of Education on June 21, 2022.

BOARD OF EDUCATION – MESA 51 SCHOOL DISTRICT

June 1, 2022

Director District Reapportionment

Situation – This report proposes the reapportionment of the Mesa 51 School District Director Districts. The boundaries of the director districts should be updated periodically to contain substantially the same number of persons. Western Demographics, Inc. was selected to reapportion the districts. The following tables and map display Western’s analysis and include a proposed scenario for reapportionment based on current 2020 census data. The school district has grown and several of the director districts deviate from average size by over six percent. A reapportionment is therefore appropriate.

Population data for the current districts are shown below and were obtained using newly available 2020 Census Bureau PL94 - 171 reapportionment data. A maximum deviation of 3-5% is typical of most reapportionment efforts. The district has periodically reapportioned its districts as required by State law and it has kept the districts in balance. However, given recent growth, one district deviates by 6 percent and another deviates by 9 percent, hence the need to update the boundaries using the most current data available.

2020 Population in Existing Districts

District	Population	Average District	Deviation from Average	Percentage Deviation
A	31,219	30,525	694	2.3%
B	31,161	30,525	636	2.1%
C	30,128	30,525	-397	-1.3%
D	32,373	30,525	1,848	6.1%
E	27,746	30,525	(2,779)	-9.1%
Total	152,627			
Average	30,525			

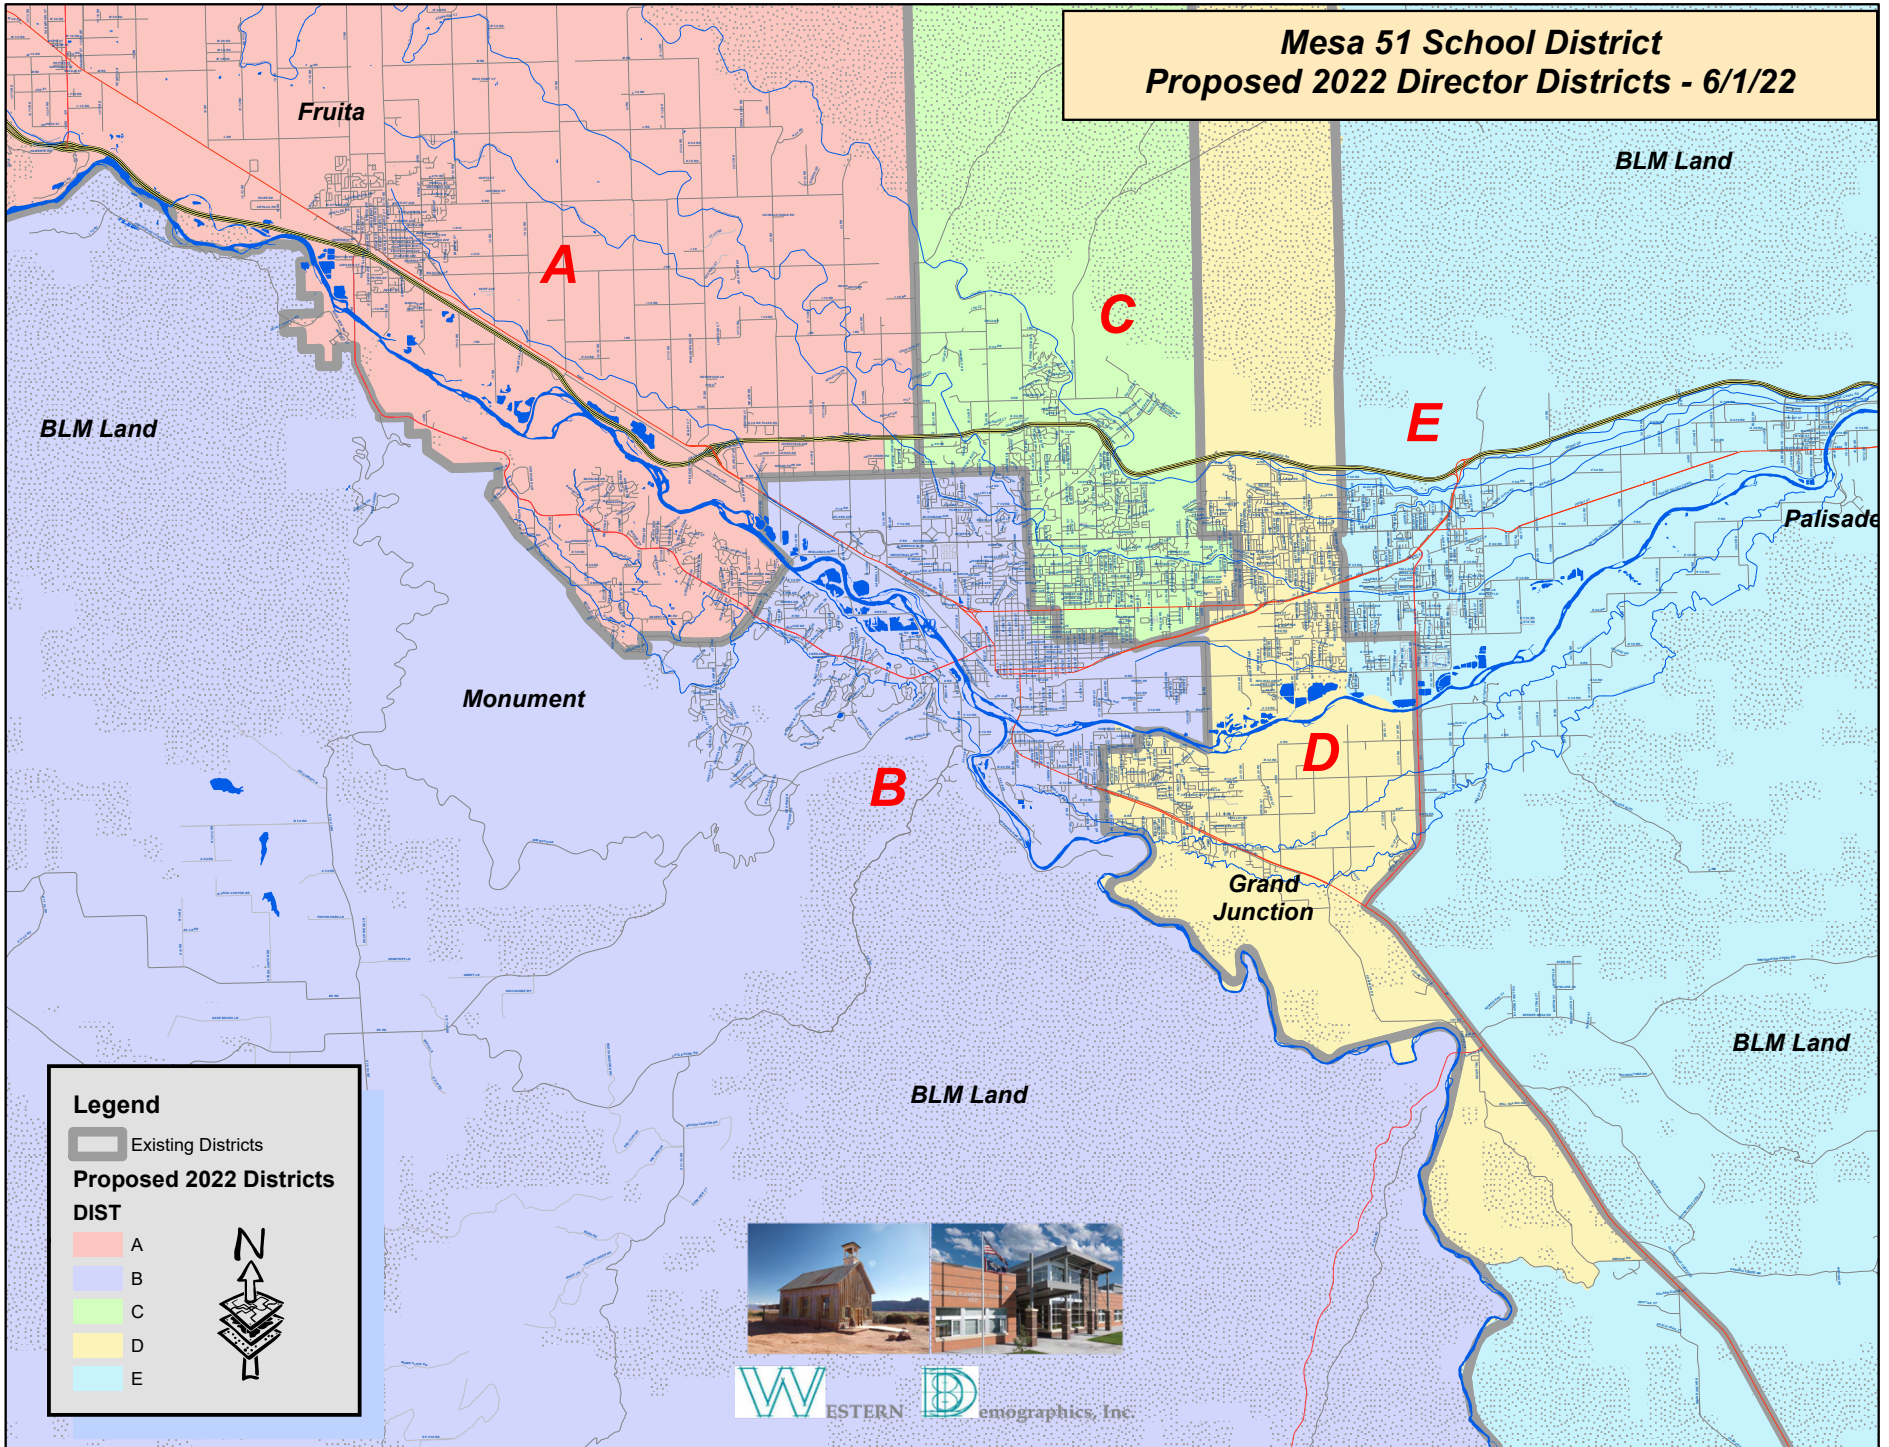

The updated Director District proposal was developed from the District’s existing representation map and maintains the historic pattern of representation. According to State statute, the director districts should be compact, contiguous and as nearly equal in size as possible. The proposed reapportionment scenario complies with statutory parameters and is shown in the following table and maps. All deviations from average district size were reduced to less than one percent. The changes necessary to balance the districts were isolated to five small portions of the district. District D was made more compact than previously. No seated directors were displaced by the proposed districts.

2020 Population in Proposed Districts

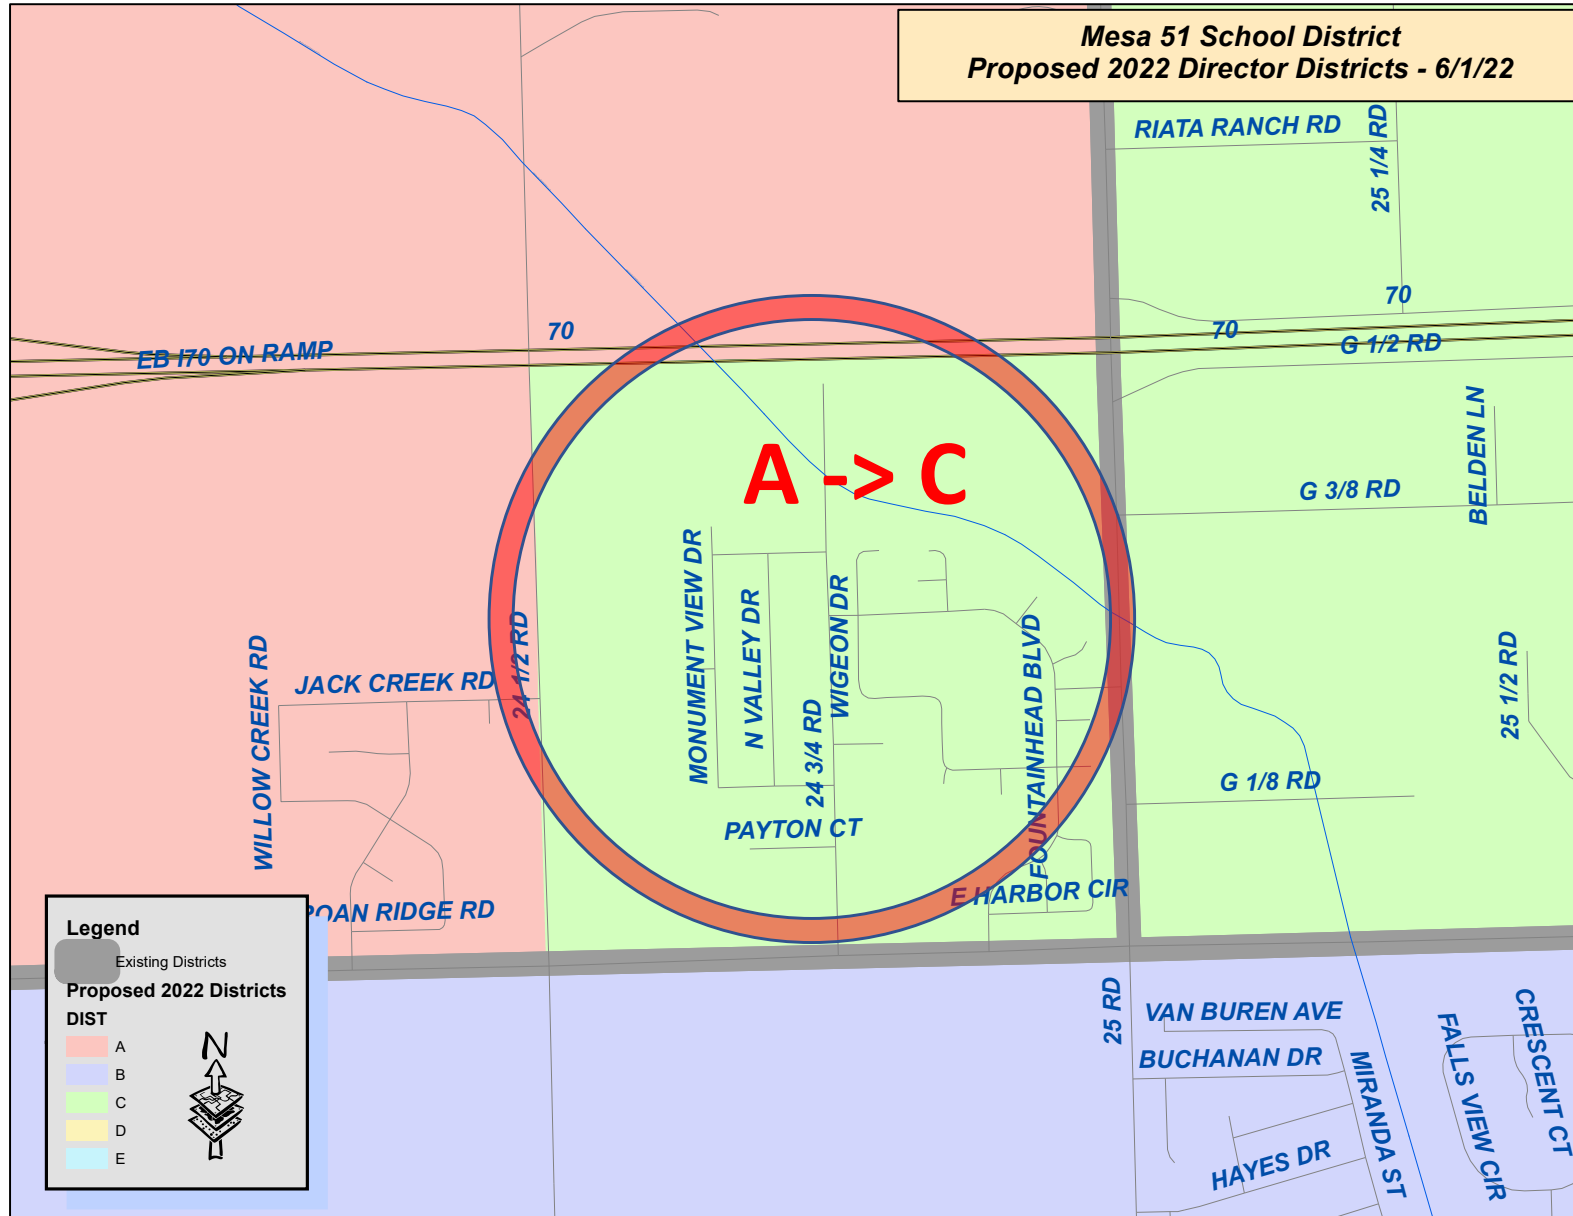

District	Population	Average District	Deviation from Average	Percentage Deviation
A	30,522	30,525	-3	0.0%
B	30,485	30,525	-40	-0.1%
C	30,589	30,525	64	0.2%
D	30,513	30,525	-12	0.0%
E	30,518	30,525	-7	0.0%
Total	152,627			
Average	30,525			

Recommendation – The Superintendent recommends that the Board examine and discuss the proposed scenario.

JLCD
ADMINISTERING MEDICINES TO STUDENTS

Related: JLCD-R, JLCD-E
Adopted: June 13, 1972
Revised: April 16, 1991
Presented for Adoption: December 16, 2014
Adopted: October 25, 2016
Adopted: October 5, 2021
Second Reading/Adoption: June 21, 2022

School personnel shall not administer prescription or nonprescription medications to students unless appropriate administration cannot reasonably be accomplished outside of school hours and the student's parent/guardian is not available to administer the medication during the school day.

Medication may be administered to students by school personnel whom a registered nurse has trained and delegated the task of administering such medication. For purposes of this policy, the term "medication" includes both prescription medication and nonprescription medication, but does not include medical marijuana. The term "nonprescription medication" includes but is not limited to over-the-counter medications, homeopathic and herbal medications, vitamins and nutritional supplements.

For preschool students any routine medication, prescription or non-prescription (over-the-counter) must be administered only with a current written order of a health care provider with prescriptive authority and with written parental consent. Home remedies, including homeopathic medications, shall never be given to a preschool student.

Student possession, use, distribution, sale or being under the influence of medication inconsistent with this policy shall be considered a violation of Board Policy concerning drug and alcohol involvement by students and may subject the student to disciplinary consequences, including suspension and/or expulsion, in accordance with applicable Board policy.

The administration of medical marijuana shall be in accordance with the Board's policy on administration of medical marijuana to qualified students.

Medication may be administered to students by the school nurse or other school designee only when the following requirements are met:

1. Medication shall be in the original properly labeled container. If it is a prescription medication, the student's name, name of the medication, dosage, how often it is to be administered, and name of the prescribing health care practitioner shall be printed on the container.
2. The school shall have received written permission to administer the medication from the student's health care practitioner with prescriptive authority under Colorado law.
3. The school shall have received written permission from the student's parent/guardian to administer the medication to the student.
4. The parent/guardian shall be responsible for providing all medication to be administered to the student.

5. The nonprescription medication is a product that has been approved by the federal Food and Drug Administration (FDA).

Self-administration of Prescription Medication for asthma, allergies or anaphylaxis or other prescription medication

A student with asthma, a food allergy, other severe allergies, or a related, life-threatening condition or who is prescribed medication by a licensed health care practitioner may possess and self-administer medication to treat the student's asthma, food or other allergy, anaphylaxis or related, life-threatening condition, or other condition for which the medication is prescribed pursuant to a written treatment plan approved by the school principal. Such plan may provide for self-administration of such medication during school hours, at school-sponsored activities, or while in transit to and from school or a school-sponsored activity. A treatment plan for student possession and self-administration of medication to treat asthma, a food allergy, other severe allergies, or a related, life-threatening condition shall be approved in accordance with the regulation accompanying this policy, and shall be effective only for the school year in which it is approved.

Authorization for a student to possess and self-administer medication to treat the student's asthma, food or other allergy, anaphylaxis or other related, life-threatening condition, or other condition for which the medication is prescribed may be limited or revoked by the school principal after consultation with the school nurse and the student's parent/guardian if the student demonstrates an inability to responsibly possess and self-administer such medication.

Use of stock epinephrine auto-injectors in emergency situations

The District shall have a stock supply of epinephrine auto-injectors for use in emergency anaphylaxis events that occur on school grounds. Such injectors shall be available for use at schools only after the District has first completed the following:

1. Find a medical provider to write a script for each school for annual standing orders. Each script must be complete with medication, route, time, dose, and refills.
2. Emergency procedures to be written and posted at each school and a care plan and forms published on the District website.
3. Food handling procedures established to insure prevention of cross contamination.
4. Development of an emergency plan for use of the injectors which includes communication, storage and accessibility in emergencies and identification of designated and trained staff.
5. Development of comprehensive training procedures for each level of needed training, which training shall include: CPR and first aid, the definitions of anaphylaxis, identification of common

triggers/allergens (nuts, bees); content about how a child or adult might explain a reaction including what symptoms a person may have; the a technique for injector use; requirements for calling EMS; and procedures for reporting the use of epinephrine and reordering of stock, if stock was used.

6. Identification of at least two staff members at each school to be extensively trained and designated to.

Any administration of a stock epinephrine auto-injector to a student by a District employee shall be in accordance with applicable state law, including applicable State Board of Education rules.

The District's stock supply of epinephrine auto-injectors is not intended to replace student-specific orders or medication provided by the student's parent/guardian to treat the student's asthma, food or other allergy, anaphylaxis or related, life-threatening condition.

Self-administration of Medication

Prescribed by a Licensed Health Care Provider

A student enrolled in a District school may be allowed to possess and self-administer on school grounds, upon a school bus or at any school-sponsored event or activity any medication, including medication to treat the student's asthma, food or other allergy, anaphylaxis or related, life-threatening condition, that is prescribed by a licensed health care provider or other condition for which the medication is prescribed to be used by the student, subject to the following requirements and restrictions:

1. A student shall not be allowed to possess or self-administer a medication unless the parent first notifies the school's administration of the student's medical needs and receives written authorization from the school administrator for the student to possess and self-administer such medication in accordance with the program.
2. The school administrator may, in consultation with the school nurse and after reviewing information provided by the parent(s) or guardian(s) and by the licensed health care provider prescribing the medication, authorize or restrict a student's possession and/or self-administration of medication. The factors to be considered in making such determination include the age and/or maturity of the student, the degree of responsibility of the student, the type of medication prescribed, and whether the student's possession or self-administration poses a significant risk of harm to the student or to the other students.

Adopted: October 25, 2016
Adopted: October 5, 2021
Second Reading/Adoption: June 21, 2022

3. If the school administrator determines to authorize the student to possess and self-administer a prescribed medication, the school nurse shall give written notice of the authorization to the student's teachers and other school staff having regular contact with the student. The notification may include a copy of the contract or health care plan established for the student, if applicable.

4. Authorization for a student to possess and self-administer a prescribed medication may be limited or revoked by the school administrator after consultation with the school nurse and the student's parent/guardian if the student demonstrates an inability to responsibly possess and self-administer such medication.

5. If a prescription medication is carried for a life-threatening condition, the parent or guardian shall be required to provide a sufficient supply to be kept at the school to be administered to the student in the event of an emergency.

6. No student shall be allowed to possess medication in an amount or quantity that exceeds the dosage that is prescribed to treat the student's condition for a single day or for the duration of a school event or activity, whichever is appropriate. This restriction shall not apply to medication that is contained in a multi-dose device approved by the school administrator or school nurse, including, but not limited to, an asthma inhaler or insulin pump.

7. A student shall not be permitted to possess medical marijuana, on school grounds, on a school bus, or at any school sponsored event or activity.

8. The Superintendent shall adopt such regulations as are necessary and appropriate to carry out this policy. Any student who possesses or self-administers any prescribed medication in violation of this policy or its implementing regulation, or in violation of any restrictions or rules established by the school administrator for such possession or self-administration, may be considered a violation of the District's policy against alcohol/drug abuse by students, and shall subject the student to discipline, including suspension or expulsion. Any student who sells, shares or distributes to another person any prescribed medication possessed pursuant to this policy shall be subject to expulsion pursuant to Board policy and state law.
