Presented: September 14, 2021

Revised: August 16, 2022

The Board encourages public comments. The Board also recognizes its responsibility to conduct the business of the District in an orderly and efficient manner. To this end, the following rules shall apply to all board meetings.

1. Public comment is encouraged and will be listed as an agenda item at every Board business meeting. Public comments at work sessions or special meetings will not be allowed unless otherwise delineated on the meeting agenda. Any such comments will be limited to agenda item(s). Each speaker will be given a maximum of three minutes and total public comments will be for a period not to exceed 60 minutes, unless modified by the Board at the meeting.
2. All persons attending the public meeting are expected to behave in a professional and civil manner, and the President of the Board or designee reserves the right to require persons violating the rules of decorum to leave the meeting room.
3. Outbursts and interruptions from any person(s) in the meeting room are prohibited.
4. All comments from the public shall only be made by persons recognized by the president or designee, and shall only be made to the Board of Education.
5. All comments from the public shall only be made by persons speaking into the microphone at the podium or table after they have identified themselves on the record. The proceedings are recorded and comments made away from the microphone may be inaudible.
6. There shall be no signs in the public meeting room. Any individual wishing to display a sign or demonstrate shall do so only on the public right-of-way that adjoins the school property where the meeting is held.
7. Video recording requiring the use of a monopod, tripod, or a device which could obscure the vision of others, are allowed only at a designated space or at the back of the meeting room.
8. Members of the public who do not follow proper conduct after a warning in a meeting may be barred from further participation at that meeting or at future meetings. In addition, such members of the public may be removed from the meeting room.
