The school board adopted a mandatory \$25 supply fee for each student in all schools and grades. This amount is to cover the cost of materials that are expendable or consumable including, but not limited to, folders, journals, notebooks, paper, or other general classroom supplies. Any items they do not use will be returned with your child at the end of the school year. We opted not to charge \$7 for music recorders for grades 3-5 nor did we opt for an additional fee up to \$15 for other expendable items such as USB drives, etc. We opted to ask for specific individual items by grade level for the items teachers run out of before the year's end after using the supply fee. Specific brand names are listed for easier purchase.

In some grade levels an additional \$10 is included to cover the cost of local field trips. In others, the field trip costs will be collected when the field trip event occurs.

Thank you for your support of your child's classroom.
